

# Agenda

TRATOLOW – Transition towards the low emissions and climate-resilient economy  
in the Western Balkans and Türkiye

## TAIEX TRATOLOW Cross-border workshop on “too much – too little water” – Strengthening Adaptation efforts (Online via Zoom)

**Date:**  
29 September, 2022

**Time:**  
09:00 – 15:30

**Chair:**  
Mr. Markus Leitner

Day 1 Time	Topic	Speaker
09:00 – 09:30	Arrival of participants	
09:30 – 09:45	Welcome, opening remarks and workshop objectives	Mr. Markus Leitner
09:45 – 10:00	Welcome on behalf of DG CLIMA & TRATOLOW project	Ms. Violeta Philippitsch
10:00 – 11:00	European overview Overview – State of play flood risk management plans (domestic and cross-border)  Overview – State of play river basin management plus (domestic and cross-border)	Mr. Ioannis Kawadas  Mr. Hans Stielstra

	<p>Adaptation to Climate Change through Transboundary Flood Risk Management in the Western Balkans</p> <p>Overview – State of play drought risk management plans (domestic and cross-border)</p>	<p>Ms. Merita Meksi</p> <p>Mr. Guido Schmidt</p>
11:00 – 11:30	<i>Comfort break</i>	
11:30 – 12:30	<p>Domestic experience, success factors and lessons learned in climate change adaptation</p> <p>Challenges in FRMP implementation in Western Balkans and Türkiye: insights from the IPA-FF Program</p> <p>Challenges of water management in the light of climate change in Austria – experiences and lessons learned</p> <p>State of play of Drought Management Strategy and Action Plan Türkiye</p> <p>Q&amp;A</p>	<p>Mr. Guido Minucci/ Ms. Claudia D’Angelo</p> <p>Ms. Helga Lindinger</p> <p>Ms. Nur Aslıhan Karaman</p>
12:30 – 13:30	<i>Lunch break</i>	
13:30 – 14:30	<p>Drought Management Experience from two EU Member States and cross-border</p> <p>Drought Management Experience from Spain including cross-border</p> <p>Drought Management Experience from Slovenia and within the DriDanube Project</p> <p>Q&amp;A</p>	<p>Mr. Carlos Benitez Sanz</p> <p>Ms. Andreja Sušnik/Mr. Gregor Gregoric</p>
14:30 – 15:15	<p>Interactive group discussion (2-3 groups)</p> <p>The project team together with the previous speakers will collect and compile experiences from the use of</p>	All participants

	<p>too much – too little water and the impact from climate change. The needs derives from the discussion will be of relevance to further progress with climate resilience and feed back into and further strengthen efforts towards progressing the NAP and strengthen adaptation efforts based on the following guiding questions:</p> <ul style="list-style-type: none"> <li>• What is the situation today and how far has planning progressed?</li> <li>• What do you expect until the near future (till 2030) and in the longer future (2050) to change?</li> </ul> <p>What is needed to adapt to this situation and increase climate resilience in the field of water management?</p>	
15:15 – 15:30	<p>Summary and closing of the Workshop Feedback from Participants and Closing remarks</p>	Mr. Markus Leitner
15:30	<i>End of Workshop</i>
