TAIEX TRATOLOW

Domestic workshop on Adaptation Monitoring and Evaluation

organised in co-operation with

Transition towards Low Emissions and Climate Resilient Economy in the
Western Balkans and Turkey (TRATOLOW)

4th July 2022

Online – by Video Teleconference

Beneficiary:

Turkey

TRATOLOW 82179

Aim of the Workshop:

The main objective of the workshop is support efforts to increase domestic climate change resilience through adaptation planning and actions. The workshop aims at raising the awareness for the need for adaptation and provide a platform for exchanging experience and taking stock of recent developments on, and potential for future deployment of climate change adaptation policy.

The domestic event will provide an informal discussion space to further progress towards developing and revising the National Adaptation Strategy (NAS) and National Adaptation Plan (NAP) e.g.: strategic policy process, planning, development, Monitoring and Evaluation.

The domestic workshop aims at raising the awareness for the need for adaptation monitoring (including indicators) and Evaluation and provide a platform for exchanging experience and taking stock of recent developments on, and potential for future deployment of indicators and monitoring for climate change adaptation.
